e-Cabinet

- e-Government
- Leadership support
- Political will
- Legal framework
- Public-Private Partnership (PPP)
- Change management

e-Cabinet, bentuk pemanfaatan sistem informasi dalam penyelenggaraan pemerintahan sehingga proses persidangan kabinet menjadi lebih efisien, efektif dan transparan

Adopsi e-Cabinet di dunia Irlandia, Estonia, India, Vietnam, dll

Pentingnya transformasi digital berupa e-cabinet:

Integrated system, paperless, secure system, e-signature, flexibility

Merdeka pada
tahun 1991 dengan
mengadopsi sistem
pemerintahan republik
parlementer

Estonia memiliki 11
Kementerian, 15 anggota
kabinet dan 241 pemerintah
daerah serta sistem
administrasi desentralisasi

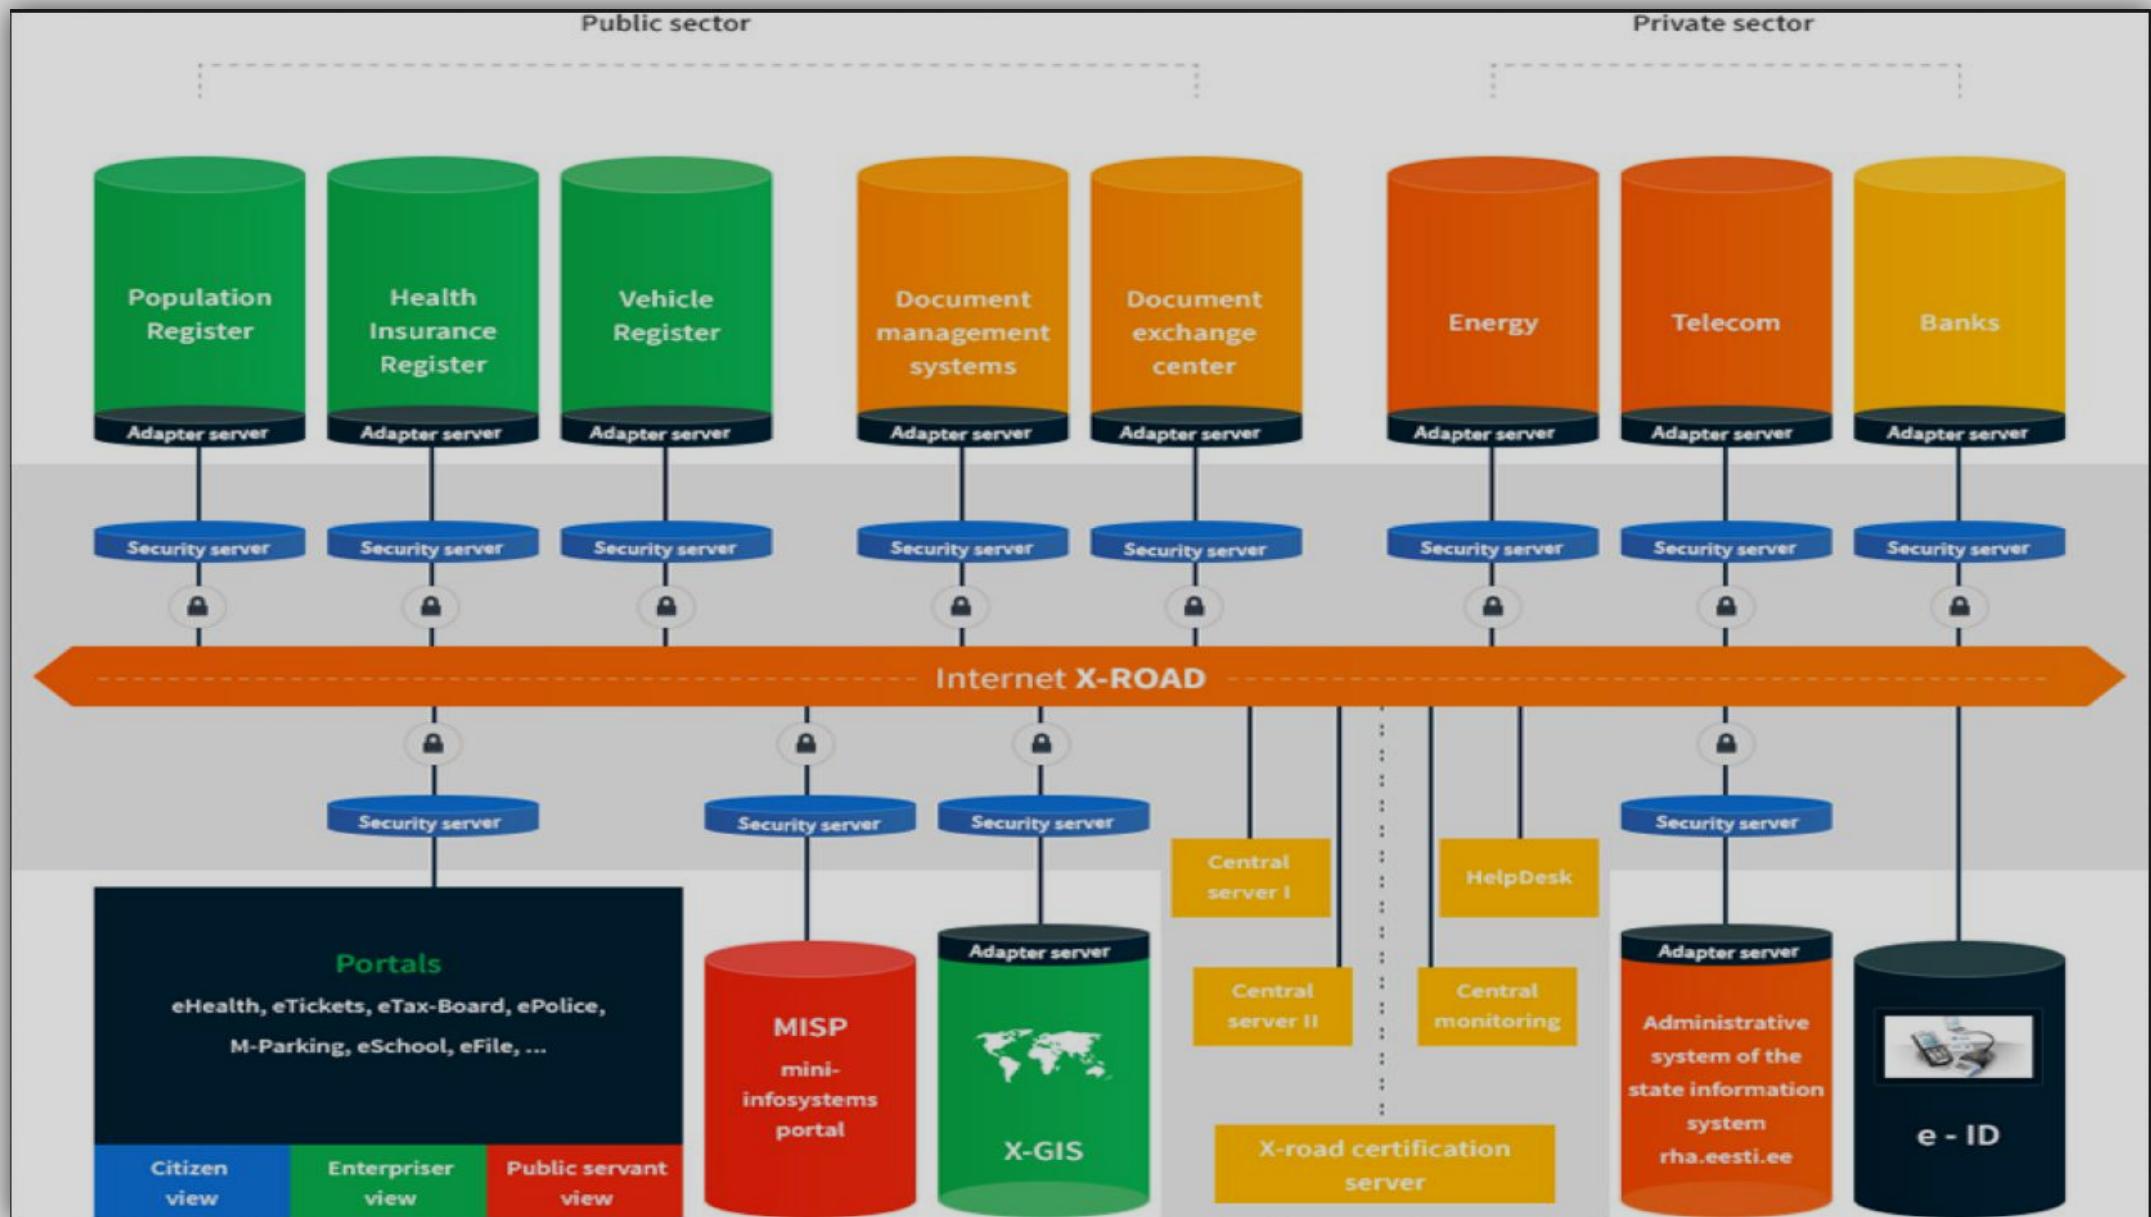

Populasi saat ini:
1.323.820 orang
(1 Januari 2019)

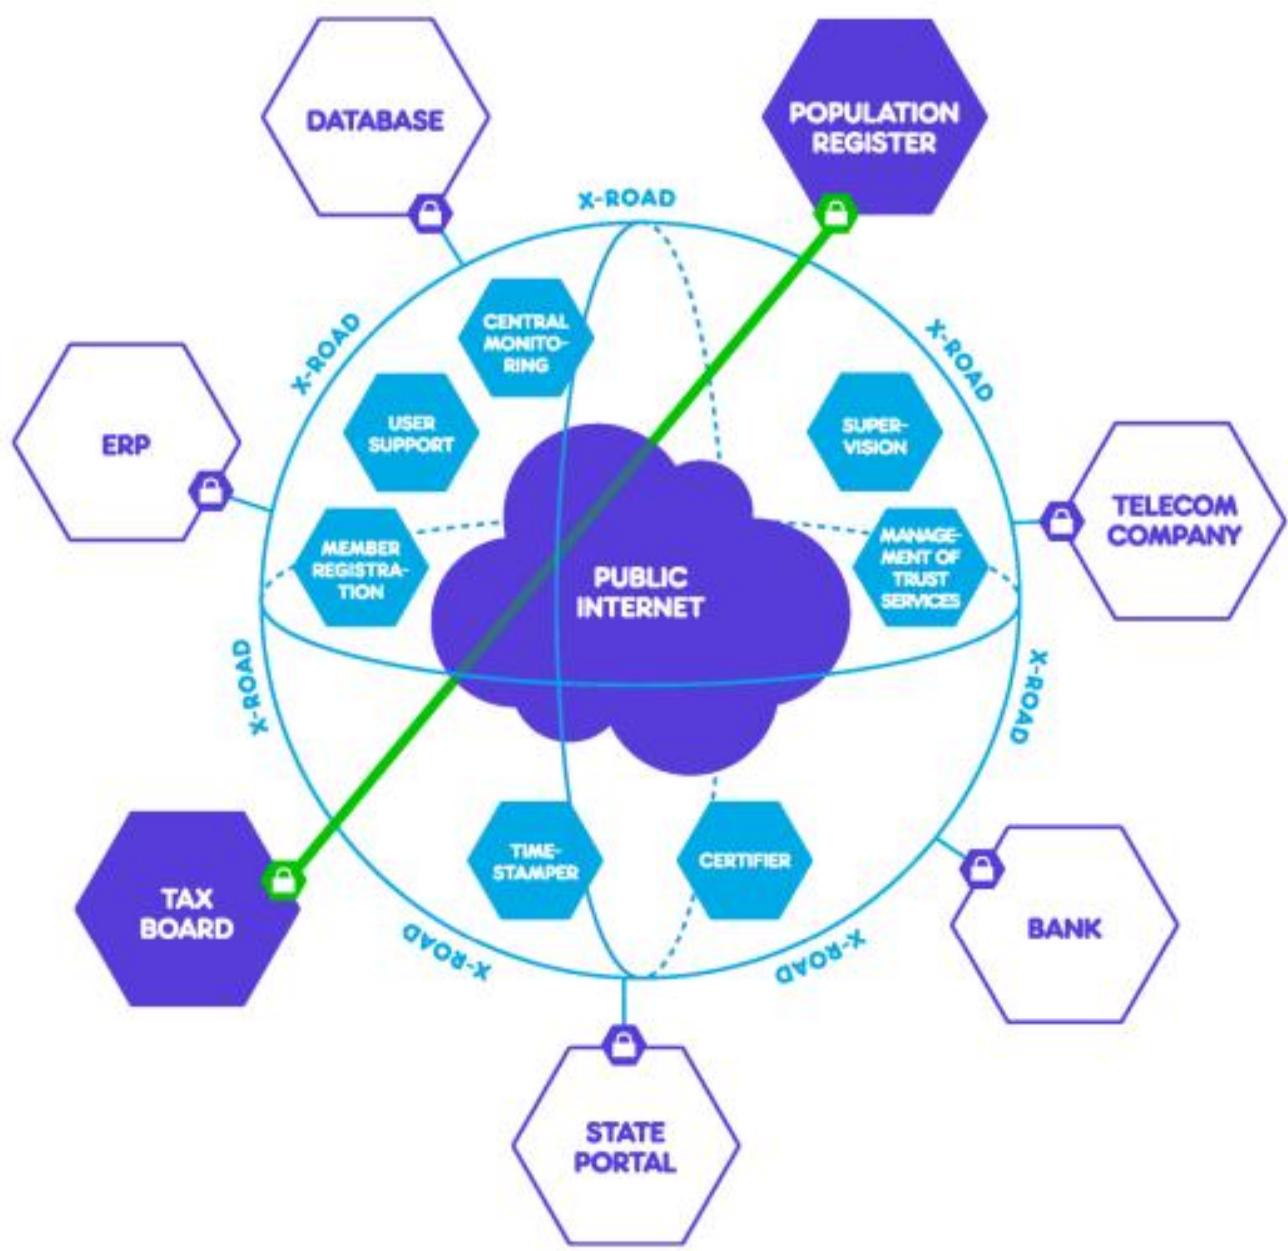

Luas wilayah:
± 45.000 km²

Prosedur sistem e-Cabinet di Estonia

e-Cabinet system

- + digunakan oleh pemerintah Estonia sejak 8 Agustus 2000 untuk persidangan di Stenbock House – Tallinn.
- + pengadaan oleh Kantor Pemerintahan
- + kolaborasi dari 4 perusahaan IT Estonia.
- + pembaharuan fitur sekali setiap setahunnya

The screenshot shows the Government Session Information System (VIIS) interface. At the top, there is a logo of the Republic of Estonia and the text "VABARIIGI VALITSUS". Below this, the title "Government Session Information System" is displayed. There are three main login options: "ID-KAART", "MOBIL-ID", and "Log in with Smart-ID". The "Log in with Smart-ID" option features the "SMART-ID" logo. The main content area displays a list of sessions with details such as location, date, time, duration, and type. Two specific sessions are highlighted in yellow: "Vabariigi Valitsuse istungi päevakord 22.11.2013" at 14:45 and "Vabariigi Valitsuse istungi päevakord 21.11.2013" at 10:04. The interface includes various buttons and links for managing sessions and viewing documents.

This screenshot provides a detailed view of a session document within the VIIS system. It shows a list of items, each with a number, description, responsible minister, and notes. Item 10 is highlighted in yellow. The notes for item 10 mention the Minister of Communications Urve Palo and the Minister of Social Affairs Kristen Michal. Item 14.2 is also highlighted in yellow. The interface includes sections for "Avatud dokumentid" (Open documents), "Pilteid ja ümberpäraseid dokumenteid" (Attachments and revised documents), and "Personaalset dokumentid" (Personal documents). At the bottom, there are links for "Lisa dokument" (Add document) and "Lisa vahepealkirj" (Add subject).

e-Cabinet di Estonia

Sebelum e-Cabinet

- Distribusi informasi sangat lambat.
- Dokumen tidak tersusun dengan rapih dan berurutan.
- Hampir semua agenda sidang didiskusikan pada pertemuan.
- Durasi sidang pemerintahan berlangsung cukup lama (4-5 jam)

Sesudah e-Cabinet

- Distribusi informasi secara instan.
- Dokumen tersusun dengan rapih, berurutan dan terarsip digital.
- Hanya sedikit agenda yang didiskusikan.
- Durasi sidang pemerintahan berlangsung cepat (\pm 30 menit)

we have built a
digital society and
so can you

A photograph of a person's hands using a black smartphone on a light-colored wooden desk. In the background, a silver laptop is open, and a white credit card is resting on its keyboard. To the left of the laptop, there is a blue mug on a saucer and a small plate with two pastries. The person is wearing a blue and white checkered shirt.

thank
you
